

North Panola School District  
Tentative Timeline (July 15, 2013)

Listed below is a **Tentative** Timeline for North Panola School District to exit from conservatorship. Please understand that any deviation, concerns, or problems can alter this **Tentative** Timeline.

- March 20, 2012 - DOJ approval of redistricting plan for school board lines based on the 2010 Census.
- Mississippi Board of Education determines impairments have been substantially corrected and the Governor declares an emergency no longer exists.
- Per HB 975 and SB 2779 (2013), the Governor will call a special election for school board members and set the date for the election which is conducted by the county election commission.
- Board members take office.
- MSBA conducts training for new board members.
- Superintendent appointed.
- On or before July 1, 2014, the Superintendent takes office and the Conservator leaves. The Conservator remains in control and administration of the schools until the Superintendent officially takes office.
