

Tate County School District Tentative Timeline (July 15, 2013)

Listed below is a **Tentative** Timeline for Tate County School District to exit from conservatorship. Please understand that any deviation, concerns, or problems can alter this **Tentative** Timeline.

- April 18, 2013 - DOJ approval of district lines
- MBE determines the impairments have been substantially corrected and the Governor declares an emergency no longer exists
- Prior to July 31, 2013, MBE notifies the Tate County Board of Supervisors to provide for the election of school board members
- August –September 2013 - Potential board members qualify to be placed on the ballot
- November 2013 – Election of board members
- January 2014 - Board members take office
- January- February 2014 - MSBA conducts training for new board members
- March 2014 – Advertise in different publications for applicants for superintendent
- April 2014 - Interview applicants for superintendent
- On or before July 1, 2014, the Superintendent takes office and the Conservator leaves. The Conservator remains in control and administration of the schools until the Superintendent officially takes office.
