Dear Mr. Byars:

The State Agency completed an Administrative Review of the National School Lunch Program (NSLP), School Breakfast Program (SBP) and Afterschool Care Program (ASCP) during the week of February 26, 2018. The regulations governing the Administrative Review (7 CFR 210.18) reference two Critical Areas of performance: Performance Standard 1 and Performance Standard 2, as well as several General Areas of Review. The following finding(s) were identified:

Meal Access & Reimbursement (Performance Standard 1)

- One of the reviewed applications was missing the last 4 digits of the social security number which is a requirement for income applications to be complete. [Regulation 7 CFR 245.6].

Technical assistance (TA) was provided in several areas for the improvement of the program operations to the Child Nutrition Director. The comments are located in the Mississippi Application and Reimbursement System (MARS), in the comments section of the On-site Assessment Tool.

A corrective action response is due by June 2, 2018 and must be entered into MARS by the Child Nutrition Director.

If you have any questions concerning this review or need assistance, please contact me at aedney@mdek12.org or call Mary Burks or me at (601) 576-4955.

Sincerely,

Alvin Edney, Program Specialist
