Dear Dr. Willis:

The State Agency completed an Administrative Review of the National School Lunch Program (NSLP), School Breakfast Program (SBP) and Afterschool Care Program (ASCP) during the week of April 9-13, 2018. The regulations governing the Administrative Review (7CFR 210.18) reference two Critical Areas of performance: Performance Standard 1 and Performance Standard 2, as well as several General Areas of Review. While findings were identified, there were no findings related to the two performance standards. The findings are described below.

Other Federal Program Reviews

- Production records were not recorded for afterschool snacks (7 CFR 210.9 (c)).

We provided technical assistance (TA) in several areas to the Child Nutrition Director. These comments are located in the Mississippi Application and Reimbursement System (MARS), in the comments section of the On-site Assessment Tool. These comments are provided for the improvement of the program operations.

A corrective action response to the findings of this review is due by May 21, 2018.

Your corrective action response must be entered in MARS by the Child Nutrition Director.

If you have any questions, please email me at ybolls@mdek12.org or call Mary Burks or me at (601) 576-4955.

Sincerely,

Mary Burks, Division Director
Office of Child Nutrition, School Support Division
