Dear Sister Mike:

The State Agency completed an Administrative Review (AR) of your organization's 2017-2018 National School Lunch Program (NSLP), School Breakfast Program (SBP) and Afterschool Care Program (ASCP). The regulations governing the Administrative Review (7 CFR 210.18) reference two Critical Areas of performance: Performance Standard 1 and Performance Standard 2, as well as several General Areas of Review. While no findings were identified, the two performance standards reviewed were found to be satisfactory, all records examined met USDA requirements. We are closing the file on this review.

If you have any other questions concerning this review or need assistance, please call Ginger Gibson or me at (601) 576-4955.

Sincerely,

Mary Burks, Division Director II  
Office of Child Nutrition
