Dear Mr. Evans:

The State Agency completed an Administrative Review of the National School Lunch Program (NSLP), School Breakfast Program (SBP) and Afterschool Care Program (ASCP) during the week of May 7, 2018. The regulations governing the Administrative Review (7 CFR 210.18) reference two Critical Areas of performance: Performance Standard 1 and Performance Standard 2, as well as several General Areas of Review. Due to a lack of findings during the Administrative Review of your 2018 National School Lunch Program (NSLP), School Breakfast Program (SBP) and After School Care Program (ASCP) we are closing the file on this review.

Technical assistance (TA) was provided in several areas for the improvement of the program operations to the Child Nutrition Director. The comments are located in the Mississippi Application and Reimbursement System (MARS), in the comments section of the On-site Assessment Tool.

If you have any questions concerning this review or need assistance, please contact me at [aedney@mdek12.org](mailto:aedney@mdek12.org) or call Mary Burks or me at (601) 576-4955.

Sincerely,

Alvin Edney, Program Specialist  
Office of Child Nutrition, School Support Division
