Dear Dr. Loden:

The State Agency completed an Administrative Review of the National School Lunch Program (NSLP), School Breakfast Program (SBP) and Afterschool Care Program (ASCP) during the week of February 26, 2018. The regulations governing the Administrative Review (7 CFR 210.18) reference two Critical Areas of performance: Performance Standard 1 and Performance Standard 2, as well as several General Areas of Review. While no findings were identified, the two performance standards reviewed were found to be satisfactory, all records examined met USDA requirements.

Technical assistance (TA) was provided in several areas for the improvement of the program operations to the Child Nutrition Director. The comments are located in the Mississippi Application and Reimbursement System (MARS), in the comments section of the On-site Assessment Tool.

We are closing the file for this review. If you have any other questions concerning this review or need assistance, please call Mary Burks or me at (601) 576-4955.

Sincerely,

Alvin Edney, Program Specialist
Office of Child Nutrition, School Support Division
