Dear Mr. Johnson-Waldington:

The State Agency completed an Administrative Review of the National School Lunch Program (NSLP) and School Breakfast Program (SBP) during the week of November 5, 2018. The regulations governing the Administrative Review (7CFR 210.18) reference two Critical Areas of Performance: Performance Standard 1 and Performance Standard 2, as well as, several General Areas of Review. No findings were identified for this review.

Mrs. Howard and her staff are commended for excellent management of the Child Nutrition Programs. No response to this letter is required. We are closing the file on this review.

We provided technical assistance (TA) in several areas to the Child Nutrition Director. These comments are located in the Mississippi Application and Reimbursement System (MARS), in the comments section of the On-site Assessment Tool. These comments are provided for the improvement of program operations.

If you have questions, please email me at [rmiller@mdek12.org](mailto:rmiller@mdek12.org), or call Mary Burks or me at (601) 576-4955.

Sincerely,

Rodney Miller, Program Specialist  
Office of Child Nutrition, School Support Division
