Dear Dr. Scoggin:

The State Agency completed an Administrative Review of the National School Lunch Program (NSLP) and School Breakfast Program (SBP) during the week of February 25, 2019. The regulations governing the Administrative Review (7 CFR 210.18) reference two Critical Areas of Performance: Performance Standard 1 and Performance Standard 2, as well as, several General Areas of Review.

No response to the findings of our Administrative Review of your 2018-2019 National School Lunch Program (NSLP) and School Breakfast Program (SBP) as required. The findings were corrected onsite during the review week. We are closing the file on this review.

Mrs. Meredith and her staff are commended for the excellent management of the Child Nutrition Programs.

We provided technical assistance (TA) in several areas to the Child Nutrition Director. These comments are in the Mississippi Application and Reimbursement System (MARS), in the comments section of the On-Site Assessment Tool. These comments are provided for the improvement of program operations.

If you have any questions, please contact Mary Burks or me at (601) 576-4955.

Sincerely,

Rodney Miller, NSLP Program Specialist
Division of School Support
