Dear Dr. Hirsch:

The State Agency (SA) completed an Administrative Review (AR) of the National School Lunch Program (NSLP) and School Breakfast Program (SBP) during the week of April 27, 2022. An exit conference was conducted on May 2, 2022. The SA is pleased to report that **no findings or Technical Assistance were identified** over the course of the Review. We are closing the district's file for this review period. No response is necessary.

The SA commend the Child Nutrition Director for her skill and promptness. The MSA menu planner, along with the student committee, astounded the reviewer with the number of choices offered on the menu daily for breakfast and lunch. My hat is off to the staff, manager, and students for a job well done! The staff and manager displayed passion for their jobs and care for their students. The reviewer enjoyed the pleasant atmosphere.

If you have any questions regarding this review or request additional assistance, please email me at mburks@mdek12.ms.us or call Scott Clements or me at (601) 576-5000.

Sincerely,

Mary Burks, Director
Office of Child Nutrition, School Support Division
