Dr. Lance Evans, Superintendent

New Albany, MS 38652-0000

Dear Dr. Evans:

The State Agency (SA) completed an Administrative Review (AR) of the National School Lunch Program (NSLP) and School Breakfast Program (SBP) during the week of April 12, 2022. An exit conference was conducted on May 20, 2022. The SA is pleased to report that over the course of the Review, **no findings were identified**. We are closing the district's file for this review period. No response is necessary.

In addition to conducting the AR, one of the functions of the SA is to provide Technical Assistance (TA). During the course of the review, the SA Reviewer provided TA in several areas to the Child Nutrition Director (CND). TA is documented in MARS, specifically in the "Technical Assistance" section of the "Compliance" Module. TA is provided for the improvement of the program operations and is not considered a finding.

The SA would like to commend the SFA for working very diligently to complete every area of the Administrative Review in a timely manner.

If you have any questions regarding this review, or would like to request additional assistance, please email me at Yfulton@mdek12.ms.us or call Marianna Chauvin or me at (601) 576-5000.

Sincerely,

Yumetrice Fulton, Program Specialist
Office of Child Nutrition, School Support Division
