Pearl Public School District
Dr. Raymond Morgigno, Superintendent
PO Box 5750
Pearl, MS 39288-5750

Dear Dr. Morgigno:

The State Agency (SA) completed an Administrative Review (AR) of the National School Lunch Program (NSLP) and School Breakfast Program (SBP) during the week of January 19, 2022. An exit conference was conducted on February 2, 2022. The SA is pleased to report that over the course of the Review, **no findings were identified**. We are closing the district's file for this review period. No response is necessary.

In addition to conducting the AR, one of the functions of the SA is to provide Technical Assistance (TA). During the course of the review, the SA Reviewer provided TA in several areas to the Child Nutrition Director (CND). TA is documented in MARS, specifically in the "Technical Assistance" section of the "Compliance" Module. TA is provided for the improvement of the program operations and is not considered a finding.

The SA would like to commend the CND for her display of positive leadership. SA reviewers noted that managers and staff at both sites were welcoming, courteous, and did a great job in food preparation. The SA would like to commend the Managers and the Child Nutrition Director for their organizational skills and for being well prepared for the review.

If you have any questions regarding this review, or would like to request additional assistance, please email me at dnewton@mdek12.ms.us or call Mary Burks or me at (601) 576-5000.

Sincerely,

Deborah Newton, Account Auditor III
