

April 22, 2022

Philadelphia Public School District
Ms. Lisa Hull, Superintendent
248 Byrd Avenue
Philadelphia, MS 39350-0000

Dear Ms. Hull:

The State Agency (SA) completed an Administrative Review (AR) of the National School Lunch Program (NSLP), School Breakfast Program (SBP), and Afterschool Care Program (ACSP) during the week of April 5, 2022. An exit conference was conducted on April 13, 2022. The SA is pleased to report that over the course of the Review, **no findings were identified**. We are closing the district's file for this review period. No response is necessary.

In addition to conducting the AR, one of the functions of the SA is to provide Technical Assistance (TA). During the course of the review, the SA Reviewer provided TA in several areas to the Child Nutrition Director (CND). TA is documented in MARS, specifically in the "Technical Assistance" section of the "Compliance" Module. TA is provided for the improvement of the program operations and is not considered a finding.

The SA would like to commend the SFA for how well staff understand regulations such as OVS and meal pattern.

If you have any questions regarding this review, or would like to request additional assistance, please email me at chedwards@mdek12.ms.us or call Mary Burks or me at (601) 576-5000.

Sincerely,

Chelsea Edwards, Program Specialist
Office of Child Nutrition, School Support Division
