

Feeding Bodies. Fueling Minds.™

L.E.A.D. Mentorship Program

Keba Laird, President
Mississippi School Nutrition Association

L.E.A.D. Mentorship

- ☉ *Leadership, Empowerment, and Development*
- ☉ **Purpose**: Build relationship and engagement with CN directors
- ☉ **Goal**: Leveraging leadership capacity

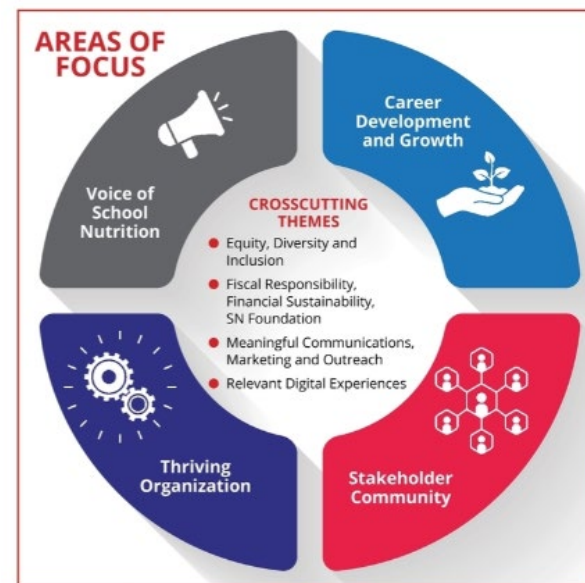

SNA 2021-24 Strategic Plan

Feeding Bodies. Fueling Minds.™

The Association identifies four key areas of focus and defines measures of success:

- Voice of School Nutrition
- Career Development and Growth
- Stakeholder Community
- Thriving Organization

SNA 2021-24 Strategic Plan

Career Development and Growth

MSNA supports the professional growth and career pathways of our members

How?

- We are providing new and relevant engagement opportunities
- We promote high-quality professional development
- We create strategies to address the SN workforce pipeline

● Why mentorship for you?

- Mentors kickstart your professional development.
- Mentors help you clarify your goals.
- Mentors hold you accountable.
- Mentors help you develop your leadership skills.
- Mentors raise your confidence.
- Mentors expand your network.
- Mentors offer knowledge and guidance (for free).
