PUBLIC NOTICE OF:

CHILD NUTRITION PROGRAM
STATE WAIVER REQUEST

On-Site Pre-Approval Visits for Experienced Summer Food Service Program (SFSP) Sponsors

The Mississippi Department of Education-Office of Child Nutrition is requesting to enable the State Agency to conduct virtual pre-approval visits for experienced Summer Food Service Program (SFSP) sponsors which did not participate in prior year.

The goal of the waiver is to minimize the administrative burden placed on experienced SFSP sponsors which did not participate in the Program in 2020 and 2021. For those sponsors who have adequately operated the Program in the past, the requirement to receive an on-site pre-approval visit may delay or deter participation in 2022.

The full waiver request is attached, along with relevant USDA guidance. For any questions, please contact Scott Clements at sclements@mdek12.org

Waiver Request

Child Nutrition Programs are expected to be administered according to all statutory and regulatory requirements; waivers to the requirements are exceptions. However, Section 12(l) of the Richard B. Russell National School Lunch Act, 42 U.S.C. 1760(l), provides authority for USDA to waive requirements for State agencies or eligible service providers under certain circumstances. When requesting the waiver of statutory or regulatory requirements for the Child Nutrition Programs (CNP), including the Child and Adult Care Food Program (CACFP), the Summer Food Service Program (SFSP), the National School Lunch Program (NSLP), the Fresh Fruit and Vegetable Program (FFVP), the Special Milk Program (SMP), and the School Breakfast Program (SBP), State agencies and eligible service providers should use this template. State agencies and eligible service providers should consult with their FNS Regional Offices when developing waiver requests to ensure a well-reasoned, thorough request is submitted. State agencies and eligible service providers are encouraged to submit complete waiver requests at least 60 calendar days prior to the anticipated implementation date. Requests submitted less than 60 calendar days prior to the anticipated implementation should be accompanied by an explanation of extenuating circumstances.
