Bay St. Louis-Waveland School District  
Dr. Sandra Reed, Superintendent  
200 N. Second St.  
Bay St. Louis, MS 39520-0000

Dear Dr. Reed:

The State Agency (SA) completed an Administrative Review (AR) of the National School Lunch Program (NSLP), School Breakfast Program (SBP), After School Care Program (ASCP), and Fresh Fruit and Vegetable Program (FFVP) during the week of April 24, 2023. An exit conference was conducted on 5/4/2023. The SA is pleased to report that over the course of the Review, **no findings were identified**. We are closing the district's file for this review period. No response is necessary.

In addition to conducting the AR, one of the functions of the SA is to provide Technical Assistance (TA). During the course of the review, the SA Reviewer provided TA in several areas to the Child Nutrition Director (CND). TA is documented in MARS, specifically in the "Technical Assistance" section of the "Compliance" Module. TA is provided for the improvement of the program operations and is not considered a finding.

The SA would like to commend the SFA for a job well done! The food was appetizing and encouraged participation. The kitchen was very clean and organized. The staff showed excellent teamwork. The LEA shows great support for the School's Nutrition Program. The Child Nutrition Director was very organized and responsive to requests for information which made the review process very pleasant. Excellent Job!!!

If you have any questions regarding this review or would like to request additional assistance, please email me at [jmay@mdek12.org](mailto:jmay@mdek12.org) or call Marianna Chauvin or me at (601) 576-5000.

Sincerely,

Jimmy May, Program Specialist  
Office of Child Nutrition, School Support Division
