Rufus D. Hill, Ed.S | State Mathematics Coaching Director (K-12)

Marlena Nance | State Mathematics Coaching Coordinator (3-5)

Kanequa Willis, Ed.S | State Mathematics Coaching Coordinator (K-5)

The MDE will continue to provide math coaching supports during the 2024-2025 school year to help mitigate learning loss that may have occurred as a result of COVID, school closures, and/or over the summer. The MDE, in partnership with Catapult Learning, LLC has provided 25 Mathematics Coaches, in conjunction with the MDE Math Coaching Team, who will work in schools focusing on delivering professional development and coaching services to teachers and administrators that will improve student outcomes across the state. Mathematics Coaches will support educators in effectively implementing the Mississippi College- and Career-Readiness Standards, utilizing the MDE Coaching Model to foster change and instructional improvement in assigned schools.

Responsibilities of the Mathematics Coach:

- Conduct in-person and virtual math coaching
- Review, establish and/or create individualized plans of action
- Travel weekly to schools to provide in-person modeling and co-teaching
- Engage in classroom observations and walk-throughs
- Assist with lesson plan development focusing on HQIM (if applicable)
- Provide professional development opportunities for selected teachers
- Facilitate summer enrichment for administrators and teachers
