Gateway 1: Text Quality and Complexity and Alignment to the Standards with Tasks and Questions Grounded in Evidence

High-quality texts are the central focus of lessons, are at the appropriate grade level text complexity, and are accompanied by quality tasks aligned to the college and career-ready standards of reading, writing, speaking, listening, and language in service to grow literacy skills.

To identify the Gateway rating, educators use evidence gathered to score indicators related to each criterion.

Materials must receive a score of Meets Expectations or Partially Meets Expectations in Gateway 1 in order to be reviewed in Gateway 2.

Gateway 1 Overview		Available Points
Criterion 1.1: Text Quality and Complexity Indicators 1a-1f Texts are worthy of students' time and attention: texts are of quality and are rigorous, meeting the text complexity criteria for each grade. Materials support students' advancing toward independent reading.		16
Criterion 1.2: Alignment to the Standards with Questions and Tasks Grounded in Evidence Indicators 1g-1n Materials provide opportunities for rich and rigorous evidence-based discussions and writing about texts to build strong literacy skills.		
Criterion 1.3: Foundational Skills Development Indicators 1o-1v Materials in reading, writing, speaking, listening, and language targeted to support foundational reading development are aligned to the standards.		32

Criterion 1.2 Alignment to the Standards with Questions and Tasks Grounded in Evidence		Materials provide opportunities for rich and rigorous evidence-based discussions and writing about texts to build strong literacy skills.	
Indicator * denotes priority indicators		Guiding Questions	Scoring
*1g.	Most questions, tasks, and assignments are text-specific and/or text-dependent, requiring students to engage with the text directly (drawing on textual evidence to support both what is explicit as well as valid inferences from the text).	Are roughly 80% or more of the questions, tasks, and assignments connected to texts and require the use of the text to answer?	0 2 4
1h.	Materials provide frequent opportunities and protocols that align to grade-level Speaking and Listening standards.	Are discussions and speaking/questioning protocols accompanied by a year-long approach to developing skills over the course of the school year?	0 1 2
1i.	Materials support students' listening and speaking about what they are reading (or read-aloud) and researching (shared projects) with relevant follow-up questions and supports.	How much instructional time is dedicated to students practicing and applying speaking and listening skills?	0 1 2
1j.	Materials include a mix of on-demand and varied process writing (e.g., multiple drafts, revisions over time) incorporating digital resources where appropriate.	Do materials include on-demand and process writing tasks?	0 1 2
*1k.	Materials provide opportunities for students to address different text types of writing that reflect the distribution required by the standards.	Do the materials include a range of writing text types/genres/modes appropriate for the grade level?	0 2 4

1l.	Materials include explicit instruction and regular opportunities for evidence-based writing to support recall of information, opinions with reasons, and relevant information appropriate for the grade level.	How frequently do students engage in evidence-based writing requiring them to draw evidence directly from texts?	0 1 2
1m.	Materials include explicit instruction of the grade-level grammar and usage standards, with multiple opportunities for application in context.	Do materials provide instruction and application opportunities for all grade-level grammar and usage standards?	0 1 2
*1n.	Materials include a cohesive, year-long plan for students to interact with and build key academic vocabulary words in and across texts.	How is vocabulary development attended to in everyday instruction?	0 2 4

*1t.	Materials support ongoing and frequent assessment to determine student mastery and inform meaningful differentiation of foundational skills, including a clear and specific protocol as to how students performing below standard on these assessments will be supported.	What assessment measures are included for foundational skills?	0 2 4
		What directions are provided to the teacher for remediation and enrichment, as needed?	
1u.	Materials, questions, and tasks provide high-quality lessons and activities that allow for differentiation of foundational skills, so all students achieve mastery of foundational skills.	How are foundational skills lessons and activities differentiated for students?	0 1 2
*1v.	Materials include decodable texts aligned to the phonics patterns and high-frequency words scope and sequence in order for students to practice authentic application of newly learned decoding and word recognition skills.	Are the decodable texts provided aligned to the scope and sequence of newly taught phonics patterns and high-frequency words?	0 2 4

2b.	Materials require students to analyze the key ideas, details, craft, and structure within individual texts as well as across multiple texts using coherently sequenced, high-quality questions and tasks.	Are questions and tasks associated with key ideas and details, and craft and structure logically sequenced and appropriate in their increasing complexity?	0 1 2
*2c.	Materials require students to analyze the integration of knowledge and ideas within individual texts as well as across multiple texts using coherently sequenced, high-quality text-specific and/or text-dependent questions and tasks.	Do questions and tasks integrate knowledge and ideas within a single informational text?	0 2 4
		Do some questions and tasks integrate knowledge and ideas across multiple texts?	
2d.	Culminating tasks require students to demonstrate their knowledge of a unit's topic/theme through integrated literacy skills (e.g., a combination of reading, writing, speaking, listening).	Are culminating tasks multifaceted (integrating reading, writing, speaking, and listening), including comprehension standards and content knowledge?	0 1 2
2e.	Materials include a cohesive, year-long plan for students to achieve grade-level writing proficiency by the end of the school year.	Do the materials include support for students' writing instruction for a whole year's worth of instruction, engaging students with the grade-level writing standards?	0 1 2
2f.	Materials include a progression of research skills that guide shared research and writing projects to develop students' knowledge using multiple texts and source materials.	Do materials include a progression of research skills and shared research opportunities?	0 1 2

Indicator * denotes priority indicators		Guiding Questions	Scoring
*2g.	Materials spend the majority of instructional time on content that falls within grade-level aligned instruction, practice, and assessments.	Do materials spend the majority of instructional time on grade-level content?	0 2 4
2h.	Materials regularly and systematically balance time and resources required for following the suggested implementation, as well as information for alternative implementations that maintain alignment and intent of the standards.	Can implementation schedules be reasonably completed in the time allotted?	0 1 2
		Do optional tasks distract from core learning?	
*2i.	Materials help English learners access challenging content and provide teacher guidance for appropriate use of strategies and scaffolds.	What supports and scaffolds are in place to ensure work is on grade level but accessible to English language learners?	0 2 4
*2j.	Materials regularly provide strategies and supports for students in special populations to work with grade-level content and to meet or exceed grade-level standards that will support their regular and active participation in learning English Language Arts and literacy.	What supports and scaffolds are in place to ensure work is on grade level but accessible to special populations of students?	0 2 4
2k.	Materials provide all students, including those who read, write, speak, or listen below grade level, with extensive opportunities to work with grade-level content and texts to meet or exceed grade-level standards.	What supports and scaffolds are in place to ensure work is on grade level but accessible to below-grade-level students?	0 1 2
2l.	Materials regularly provide extensions to engage with literacy content and concepts at greater depth for students who read, write, speak, and/or listen above grade level.	How are on-grade-level concepts investigated at a greater depth?	0 1 2

Guiding Questions

Scoring

*3a.	Materials provide teacher guidance with useful annotations and suggestions for how to enact the student materials and ancillary materials to support students' literacy development.	How are the materials structured to provide information that will assist the teacher in presenting the student materials or ancillary materials?	0 2 4
*3b.	Materials provide a teacher's edition that contains full, adult-level explanations, and examples when necessary, of the more advanced concepts so that teachers can improve their own knowledge of the subject.	How do the materials support deepening teachers' understanding of specific content and standards?	0 2 4
*3c.	Materials provide a teacher's edition that includes standards correlation information that explains the role of the standards in the context of the overall series.	How does each lesson and unit align to the MS CCRS for English Language Arts? How does the content or course connect to previous and upcoming content or courses?	0 2 4
3d.	Materials provide strategies for informing all stakeholders, including students, parents, or caregivers about the program and suggestions for how they can help support student progress and achievement.	Do the materials include strategies for informing students, parents, or caregivers about the program? Do the materials contain suggestions for how parents or caregivers can help support student progress and achievement?	Narrative Evidence Only
*3e.	Materials provide explanations of the instructional approaches of the program and identification of the research-based strategies.	Do the materials provide explanations of the instructional approaches of the program? Do the materials identify research-based strategies that have informed the design of the materials?	0 2 4
