

2022 Early Childhood Specialized Boot Camp Training

This two-week virtual training is offered to teachers and assistant teachers that need to acquire the twelve hours of approved early childhood coursework to teach in Pre-K classrooms. The completion of this training program will be the equivalent of twelve hours of course work needed for teachers and assistants of Pre-K classrooms, general education and special education, lacking an emphasis in early childhood.

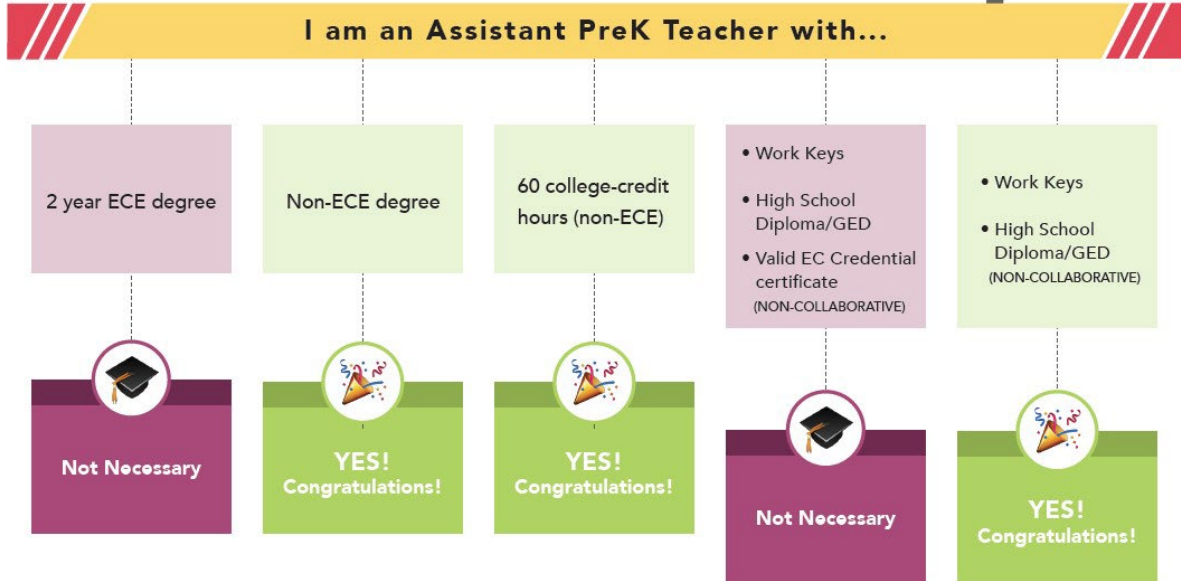

Completion of this training program includes boot camp participation, two on-line courses, and submission of all assignments.

The boot camp training will also meet the requirements of professional development for administrators of Pre-K classrooms.

The below graphic will help determine if you should attend the Specialized Early Childhood Training Boot Camp.

SHOULD I BE HERE?

The last day to register is Friday, May 27, 2022.

To register go to: <https://nmec.msresaservices.com/22Prek>

You must fill-out the **pre-registration form** before registering. Once you complete the pre-registration form listed on the website, an access code will be emailed to you to finalize your registration.

Each participant will need to use a laptop or tablet for the training.

You will be provided approximately an hour to have lunch each day. Lunch will be on your own.
