

TRAIN-the- TRAINER

Family **ENGAGEMENT** FRAMEWORK AND TOOLKIT

The Mississippi Department of Education is hosting a one-day Train-the-Trainer for families, educational program leaders, teachers, community partners, and any individual interested in the learning and academic success of students' birth to young adulthood.

Individuals interested in the learning and academic success of students' birth to young adulthood are encouraged to attend! The goal of this training is to provide attendees with the information to provide professional development, technical assistance, and coaching for the implementation and sustainability of the Mississippi Family Engagement Framework and Toolkit within an education community.

SESSION TOPICS INCLUDE:

- Identify, define, and demonstrate a foundational understanding of family and family engagement
- Differentiate between parent involvement vs. family engagement
- Gain a deeper understanding of systems approach as it pertains to family engagement
- Demonstrate a greater understanding of the Mississippi Family Engagement Framework goals and be able to effectively apply them to practical educational situations
- Utilize outcomes, resources, and the self-assessment that align with the Mississippi Family Engagement Framework goals
- Serve as a knowledgeable, on-site Family Engagement Resource
- Obtain resources to utilize in an educational program or community

NOTE: Unfortunately, the Train-the-Trainer sessions are not able to accommodate children. Thank you for understanding.

Train-the-Trainer sessions will be held across the state in **FALL 2019 and SPRING 2020.**
